

Ms. Heyman 7th/8th/Algebra Math Classes

Contact Information: e-mail: Eheyman@mvyps.org

phone: 508-693-0951

fax: 508-693-5189

What **YOU** can do to help your child be successful in math class:

- provide an uninterrupted space with all the necessary materials
- allow him/her to call a hw buddy or Ms. Heyman before 9 PM
- allow him/her to listen to music, but **NOT** watch tv during homework
- schedule the evening so that math hw is done before 8:30 PM
- help students to come in early or stay after for extra help
- schedule your family so that students get at least 9 hrs of sleep
- help provide a breakfast with protein every day
- familiarize yourself with the online textbook resources your child may use (they are AWESOME!)

Necessary materials for math homework:

(these should be kept in an organized place at home)

scientific calculator

ruler w/both metric & standard measurements (provided)

pencils, erasers, paper, graph paper

When Ms. Heyman is available for extra help:

- Mon-Fri 7:45-8:15 AM
- Mon-Thurs 2:40-3:45 PM (with staff meeting exceptions)
- by phone before 9 PM

What to do if my child is absent from math class:

Students have the same number of days that they are absent to make up the work. You/your child may e-mail me for any information and missing work. I may not be able to provide work in advance for an extended absence from school. Students will need to arrange to stay after/come early to learn the lessons missed.
